## Linking PB4L to Habits of Mind

Teachers are encouraged to use the language of the Habits of Mind when awarding CLICKS. Below are some examples to guide teachers. Remember that HoM's can be used and identified in a range of settings and thus the list below is only a starting point.

eg: **Respect**

**Others**

Listening with Understanding and Empathy.

Thinking Interdependently

Thinking and communicating with clarity and precision.

**Learning**

Striving for Accuracy

Persistence

Questioning and posing problems

Gathering data through all of the senses

Remaining open to continuous learning

Applying past knowledge to new situations

Metacognition

Creating, imagining and innovating

**Environment**

**Self**

Managing impulsivity

Thinking Flexibly

Taking responsible risks

Wonderment and Awe

Finding Humour
