

# GLENBROOK SCHOOL

Dear \_\_\_\_\_,

Guess what! You are going to be starting school soon!

We are really looking forward to having you at our school. It's a fun place to be and every day we get to learn new things and play with our friends.

Your classroom will be Parekereke or Room 1 and your teacher will be Miss Shears.

Enjoy the rest of your time at pre-school or kindy and we will see you here on your half-day visits. These visits are from 8.50am – 1pm. You will need to bring enough food for a quick snack at brainfood time (crackers, muesli bar) and then something else small for morning tea.

You do not need to wear your uniform but you can if you have one already.

If you have a pre-school portfolio please bring it along to your visit and the teacher will return it to you when you start school.

Your half day visits will be on

- Wednesday 4<sup>th</sup> March and

- Wednesday 11th March

You can start school on your birthday, the next day, or the Monday of the next week. Your mum or dad can talk to Miss Shears about this.

See you soon,

Miss Shears

## **Parents**

If any of the visit days are unsuitable please phone the school office and leave a message with Mrs Andrews.

On the morning of your child's visit, please see Mrs Andrews in the office to complete enrolment. You will need to bring a current proof of address such as a power or telephone bill.

Parekereke is a New Entrant class and children may move to a new teacher after 1 or more terms at school. Miss Shears will discuss this with you should it apply to your child.
